NON-SURGICAL PRACTICE

NON-SURGICAL PRACTICE

Too much cutting in modern practice. That every abdominal pain, from any cause, means appendicitis, and that every abdominal enlargement means a tumor, and requires operations, is a fad—an imposition on the unsuspecting public. These, and many such, are cured by safer, NON-SURGICAL METHODS, without bad after-effects.

NO FAD-NO SPECIFIC.

The broad-minded physician has no fad, but uses those means that have resulted in cures in his hands, regardless of schools or anyone's opinion—whether it is medicine, electricity, or any other method.

MY SPECIALTY

Is the relief of human ills. My method is with the purest medicine and electric treatment, with an earnest desire to relieve and cure disease—NERVOUS DISORDERS, RHEUMATISM, NEURITIS, BLOOD AND SKIN TROUBLES, ECZEMA, SCIATICA, CHOREA, GOITRES (Enlarged Neck), OBESITY (you may have as much or as little flesh as you wish), CATARRH and any other HUMAN ILL, no matter what.

ELECTRIC TREATMENT

Rightly and intelligently applied, has a won-derful healing influence in NERVOUS TROUBLES. RHEUMATISM, NEURITIS, PARALYSIS, SCIATICA (it cures quickly), and many others.

It is safest, best, and leaves no bac after effects in OVARIAN NEURALGIA BACKACHE, LUMBAGO, NEURITIS, etc., which so many suffer from. The constitu-tional effect of electric treatment is a toning in-increasing the resistance to disease and preventing a hardening of the arteries in ad-
